

COMPANY PROFILE 2026

Premium Manufacturing for Global Equestrian & Leather Markets

Established 2005 | 20+ Years of Manufacturing Excellence | Kanpur, India

Company Overview

Equine Internationals is a trusted manufacturer and exporter of premium equestrian products, leather goods and pet products, proudly based in Kanpur, India — the heart of India's leather industry. With more than two decades of manufacturing experience, we combine skilled craftsmanship, modern production, product development and strict quality control to serve international brands, importers, wholesalers, retailers and distributors.

Our focus is built around quality, customization, competitive pricing and dependable delivery. We support OEM, private-label and custom programs for buyers across Saudi Arabia, UAE, Europe, USA, Australia and other international markets, with customers and business relationships spanning 20+ countries.
